The detainees in Dillibazaar Prison Branch have, today, finally broken the hunger strike that they have been staging for long. Following the National Human Rights Commission's concerted efforts and government's positive response on their demands about prison conditions and detainees' rights they announced to this effect in the presence of Dr. K. NHRC has recommended government many times regarding the physical conditions of prison, detainees' rights and humanitarian aspects of prison, after the monitoring of various prisons of the country including Dillibazar Prison Branch. Lately, Commission received the report of the Prison Reforms High Level Recommendation Committee from the government and made necessary recommendations to the government in this connection.
