## Press Release

(October 04, 2019)

### **The Commission formed a high-level monitoring team**

National Human Rights Commission's attention has been drawn to the investigation of the incident happened on September 29 at night among the then Speaker Krishna Bahadur Mahara and Ms. Roshani Shahi. The Commission has been closely monitoring the information and communication since the incident took place. The Commission has also corresponded to the Nepal Police seeking information regarding the status of investigation into the case and action the security agency has taken to ensure the safety of the victim and the concerned journalist. The Commission has also formed a high-level three-member team led by the director to monitor minutely and submit the progress report regarding the various aspects of the investigation.
