The decision to provide Human Rights Award to Dr. Harihar Wosti

Dayaram Pariyar Memorial Human Rights Award/Honour provided by the National Human Rights Commission of Nepal is decided to award this year to the forensic expert Dr. Harihar Wosti. The Commission has decided to this award to Dr Harihar Wosti for his significant contribution in exhumation process and other dozens of human rights investigations.

The awarded Dr. Harihar Wosti has been contributing for the protection and promotion of human rights as an expert of forensic for a long time at TU Teaching hospital. The Commission highly appreciates his contribution in human rights sector engaging in the investigation of cases of armed conflict and the Commission believes that he will contribute a lot in the human rights in the days to come. The Commission congratulates and expresses good wishes to Dr. Harihar Wosti.

The Commission last year provided this award to Dr. Renu Adhikari who is the founder of Women's Rehabilitation Center (WOREC), Nepal and active person in the campaign of gender equality, gender justice and prevention of violence against women.
