## Suspicious objects at the Laboratory

The suspicious objects which were gathered at Thule Gahiri of Shivapuri National Park on December 21 & 22, 2007 by a team led by the National Human Rights Commission including the concerned experts have been sent to the concerned laboratories for the scientific tests. The necessary test and scientific analysis of those objects will begin from tomorrow by the concerned experts.

Further, it has been informed by the experts that the test being the technical subject, itâ€™s hard to predict the duration the entire test process.
